# INDEX

**Index of Authors:** books reviewed are listed by author, with the title in italics and the reviewer's name in brackets, followed by the issue number.

**Index of Reviewers:** books reviewed are listed by reviewer, with the author's name after the title.

**Subject Index:** the subject is followed by the title and author of the book discussed, with the reviewer's name in brackets. 'Corres.' refers to letters sent to the editor in response to the article listed, and printed in subsequent issues.

**Index of Original Contributions:** all articles which are not strictly book reviews (features, diaries, poems, short stories) are listed here, as well as appearing in the index of authors.
